

Once again I would like to thank [**The Bradshaw Group**] for finding . . . and assisting me in the process of purchasing the business. It is amazing that an hour or so conversation . . . can turn into a life changing event.

From our brief conversation . . . to our many hours of discussions on business plans, financial disclosure statements and, of course, the purchase, I valued your support and input. Additionally, I appreciated your honest approach and confidentiality during the entire process.

If any of your prospective business buyers or sellers would ever want a personal / professional recommendation, please do not hesitate to contact me

If I had to do it all over again, I would not even consider purchasing or selling a business without . . . guidance from [**The Bradshaw Group**].

Thanks Again,

President
