

There's an Apple & Eve juice for everyone, from 100% organic juice boxes to family-size bottles. Discover all our yummy flavors and product lines.

100% Juice

From what's for dinner, to how to load the dishwasher and even what to watch...a little give and take makes the house go 'round. But there is something everyone in the family can agree on: their love for the 100% fruit juice Apple & Eve has been making for over 40 years. 0% artificial flavors or colors, 0% added sugar...100% of the time.

Fruitables

"Pick up your toys." "Eat your vegetables." While kids may not hear "I love you" in your sensible words, we know it's there. We are proud to support your sensible side with our Fruitables juices that combine the power of fruits and veggies with kid-friendly flavor. It's our way of making sensible a little more fun.

Cool Waters

Trying to get kids to drink water can sometimes feel like getting them to clean their room or eat a plate of veggies. That's where we come in! Introducing Cool Waters, a box of hydrating goodness in three refreshing flavors. With just a splash of Certified USDA Organic juice and only 4 grams of sugar or less per box, it's the perfect flavored water to keep the kids both hydrated and happy. Find Cool Waters available at one of the following retailers: Ingles, King Kullen, Food Town, Key Food, Big Y, Krasdale, Demoulas, H.E.B, & Amazon.

Organics

Like cleaning the crammed garage or fixing the forever-drippy faucet, some projects feel like a personal Everest. But you do it out of love! When it comes to Organics, we're going the extra mile right along with you—choosing, harvesting and pressing only the finest organic fruits into superb 100% juices without artificial flavors, colors or added sugar.
